Cassandra Marcus  
Editorial Page Editor  
The Medford Chronicle  
228 Fifth Street  
Medford, KS 54211

Dear Ms. Marcus:

(A)

(1) I am a long-time resident of this city and who wishes to respond to your editorial of May 24. (2) Because I have agreed with many of your previous editorials, I do not agree with your position regarding the proposed shopping mall on the south end of town. (3) I can see no value in building a four-lane highway through Medford simply to accommodate several huge chain stores.

(B)

(4) I am amazed you would support the city councils plan to widen Sycamore Street and turn it into a highway, a plan that will lead to much unhappiness and bear much criticism. (5) Medford have always been a safe, quiet town with very little traffic. (6) It will change the quality of life in Medford with the proposed shopping mall. (7) Our town will never again enjoy the advantages of being a tightly-knit community. (8) We will no longer be a place where all of the residents knew the business owners personally.

(C)

(9) In addition to these problems, the proposed mall could have even more serious consequences. (10) Many of our local businesses are already struggling to survive, this plan may put those places out of business altogether. (11) Are the people of Medford ready to see Marvin's Hardware, whose owners have been in the same location for more than seventy-five years, desert its location forever? (12) Do we want to loose our local shoe, clothing, and variety stores?

(D)

(13) Ms. Marcus, I do not understand your decision to support the changes that this mall will surely bring to Medford. (14) You have great influence in this community. (15) Please reconsider your position. (16) Support those of us who want to keep our town quiet and local merchants in business.

Sincerely,  
*A.D. Kendrick*
