Question: 1

According to the General Data Protection Regulation (GDPR) laws, when are SAP customers considered data controllers?

- A. When they use SAP cloud applications
- B. When they extract legacy data in preparation for migration
- C. When they engage other businesses in the European Union
- D. When they request implementation of a cloud solution

Answer: A

Question: 2

You defined a service contract in SAP S/4HANA Cloud.

What is the effect of this service contract on service order creation?

Note: There are 2 correct answers to this question.

- A. Customer-specific price agreements are copied from the service contract to the service order, when creating a service order referencing the service contract.
- B. Service orders need to be created via an application programming interface (API) in which the service contract is referenced.
- C. The service contract contains a detailed description of all services provided, but customer-specific price agreements need to be maintained in every service order.
- D. For service orders, automatic service contract determination is available whenever a user creates a new service order for the customer for which the contract was created.

Answer: A

Question: 3

A service order or confirmation document is released for billing.

What kind of document does the system automatically create?

- A. An accounting document (universal journal entry)
- B. A billing document request (BDR)
- C. A billing plan
- D. A billing document

Answer: B

Question: 4

You need to integrate the headquarters of a company running on SAP S/4HANA with a subsidiary running on SAP S/4HANA Cloud.

In a 2-tier ERP scenario, which integration technologies can you use?

Note: There are 2 correct answers to this question.

- A. SAP Cloud Integration Automation Service
- B. SAP Cloud Connector
- C. SAP Open Connectors
- D. SAP Process Orchestration

Answer: B D

Question: 5

Which tool do you use to develop your own cloud applications for SAP S/4HANA Cloud?

- A. SAP HANA Studio
- B. SAPUI5 SDK
- C. SAP Cloud SDK
- D. SAP ADK

Answer: A
